

# hear) our impact

Hear Indiana has experienced tremendous growth over the past year, and it's only possible because of your support. You should know about all of the incredible young people you've affected, and we hope this small glance into our world helps to show just that. Thanks for joining Hear Indiana in our mission to empower and support individuals with hearing loss. We're so grateful.

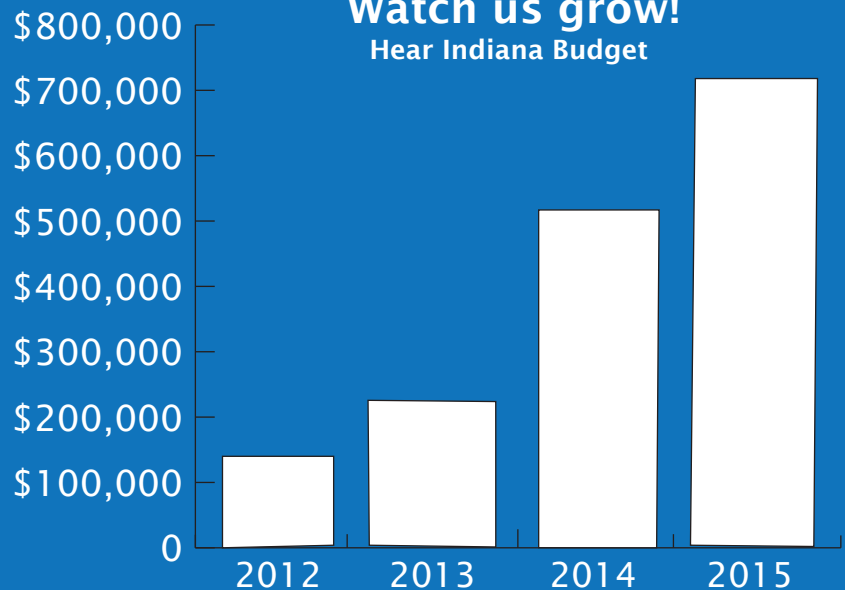

125

children served at the brand new Speech & Hearing Resource Center!
